PRODUCT INFORMATION

KN95 EAR LOOP MASK

The KN95 Ear Loop Mask are face masks designed to filter particles, viruses, and microbes. These face masks feature an ear loop design for more comfort and an integrated flexible nose bridge that ensures proper fit. The KN95 Ear Loop Masks are FDA/CDC approved and meet KN95 standards, which means that they are effective against 95% of particles, with over 95% of bacterial filtration efficiency. One package comes with 10 face masks intended for single use. Please note that wearing a mask does not eliminate the risk of infection, as it depends on the proper fit of the wearer.
