PRODUCT INFORMATION
AREA OF REFUGE LED SIGN

The Area of Refuge LED Sign is a lightbox specifically designed to provide clear and visible guidance to designated safe areas in emergency situations. This high-quality LED sign features bright illumination to ensure maximum visibility, even from a distance or in low-light conditions. The “Area of Refuge” message is prominently displayed, directing individuals to safety and ensuring compliance with safety regulations. Ideal for use in commercial buildings, hospitals, schools, and any location requiring clearly marked emergency refuge areas, the Area of Refuge LED Sign is an essential tool to enhance safety and accessibility.
