

RADIATION GLASSES

Oakley Litebeam

FRAME INFORMATION

The radiation glasses Oakley Litebeam feature high-quality, distortion-free SF-6 Schott glass radiation-reducing lenses with 0.75mm Pb lead equivalency protection. These Oakley lead glasses have clear CE Certified Lens and weigh 83g. Plus, the Oakley Litebeam radiation glasses are prescription available. Made of high-quality plastic, they have a durable and lightweight rectangular frame. These lead glasses feature rubberized nose pads for superior comfort and are available in two color variations: satin black and satin gray smoke.
